Writing about Troilo over a century after his birth and nearly fifty years after his death implies a certainty: the artist who performed with him in all but a few cases no longer exist. That vast absence compels us to seek Troilo where he never left: the music. Troilo: Biography of Argentina is a music book but also a precise and rigorous painting of a mobilized, vigorous, and encompassing country where culture and tango were in the spotlight. It might well be read as a text that uncovers the keys of growth and decline of Argentina.
