this paper focuses on uganda s 2013 article iv consultation and sixth review under the policy support instrument request for a three year policy support instrument and cancellation of current policy support instrument driven mainly by investment and trade growth has recovered to about 5 percent a stronger than expected rebound from the low 31 2 percent expansion registered last year fast implementation of road construction the start of operations of the bujagali hydropower plant and a good harvest boosted aggregate demand envisaged public finance management reforms are set to address the problems of persistent under budgeting arrears accumulation and failure to sanction financial irregularities

this paper highlights the kingdom of lesotho s sixth review under the three year arrangement under the extended credit facility lesotho has maintained robust economic growth with moderate inflation the imf report shows that economic growth is expected to exceed 4 percent supported by a recovery in agricultural production enhanced construction and mining sector expansion the reconciliation of treasury accounts has been delayed largely owing to insufficient collaboration between the treasury and budgetary agencies to address the problem the ministry of finance issued a circular in june 2013 to enforce reconciliation reporting by all such agencies

this paper analyzes burundi s third review under the extended credit facility arrangement and request for modification of performance criteria policy discussions in the program focus on measures to strengthen fiscal performance which have been reflected in a revised 2013 budget bolstering public financial and debt management the report highlights that the macroeconomic outlook remains difficult compounded by downside risks related to uncertainties in the external economic environment also the need to preserve debt sustainability continues to anchor medium term fiscal policy

the côte d ivoire government is working to reform the security apparatus containing fiscal risks strengthening revenue collection improving public financial management and creating a business friendly environment through regularization of arrears on domestic debt are the focus of the reform agenda sizable debt relief as a result of reaching the hipc completion has also provided scope for new borrowing to help finance the government s public investment program progress on the structural reform agenda and macroeconomic prospects are positive

this paper discusses guinea s second review under the three year arrangement under the extended credit facility requests for modifications of performance criteria and waiver of nonobservance of performance criterion and financing assurances growth is projected at 4 5 percent for 2013 slightly lower than envisaged because of lower growth in the mining sector the programs inflation target has been revised upward slightly mainly reflecting the higher than programmed outcome at end 2012 together with some

modest impact from an agreement on increases in civil service wages key risks include continued political unrest in the run up to elections which could affect growth investment and reform momentum and a rebound in inflation if the private sector follows the increase in civil service wages

essay from the year 2016 in the subject sociology culture technology nations grade 1 7 university of newcastle marketing language english abstract the purpose of this report is to analyse potential cultural and economic factors that would affect the introduction of sanitarium s up and go into the foreign developing market of brazil the report firstly provides a synopsis of sanitarium as well as a background into the product itself which surmises that it is a breakfast drink which is targeted toward time poor individuals and to a lesser extent health conscious people the report goes on to discuss the relevant economic and cultural factors of australia which contributed to the success of up and go in this market australia s high levels of gdp per capita the fact it is a developed economy and high rates of urbanisation means that a large segment of the market have the disposable income to purchase up and go and overall do not have to travel far to access a retailer for it
